**KENILWORTH  
PUBLIC SCHOOLS**

# DISTRICT GOALS

**1**

**ADVANCE DIVERSITY,  
EQUITY & INCLUSION**

**2**

**SUPPORT INNOVATIVE  
TEACHING & LEARNING**

**3**

**PLAN NEXT STEPS FOR  
REFERENDUM PROJECTS**

**4**

**ENHANCE STUDENT  
ENGAGEMENT**

**5**

**LEVERAGE DATA TO  
ACCELERATE ACHIEVEMENT**

# 1

## ADVANCE DIVERSITY, EQUITY & INCLUSION

### Scope of Goal

- Partner with Teachers College, Columbia University for outside support.
- Conduct DEI needs assessment, with focus on curricular materials, resources, and approaches.
- Consider which findings to implement.

# 2

## SUPPORT INNOVATIVE TEACHING & LEARNING

### Scope of Goal

- Continue work around technology upgrades and a consistent classroom technology model.
  - Continue upgrades to 21st Century environments.
  - Continue to innovate course offerings and curricula.
  - Continue differentiated professional learning to support innovation in our instructional methods.
- 

# 3

## PLAN NEXT STEPS FOR REFERENDUM PROJECTS

### Scope of Goal

- Engage in design and project development work.
- Finalize architectural plans.
- Prepare projects for bid.
- Solicit stakeholder input.
- Begin targeted projects.
- Communicate with school community, Finance & Facilities Committee, and BOE.

# 4 ENHANCE STUDENT ENGAGEMENT

## Scope of Goal

- Collect engagement data.
- Support teachers in enhancing student engagement through professional learning.
- Strengthen feedback loop with an eye on engagement.

# 5

## LEVERAGE DATA TO ACCELERATE ACHIEVEMENT

### Scope of Goal

- Monitor new assessment program.
- Support data teams and data-based professional learning communities.
- Learn more about teachers' data use, and explore ideas/push thinking in pre and post observation conversations.

## Brearley School Goals

- Develop **guidance counseling curricula** around college/post-secondary planning to target **student motivation** and **school engagement** which will help improve academic achievement.
- Support teachers in **student engagement** and **inquiry-based learning strategies** through subject-specific **professional learning** to improve academic achievement; reinforce and follow up with teachers through observation and walk-through **feedback**.

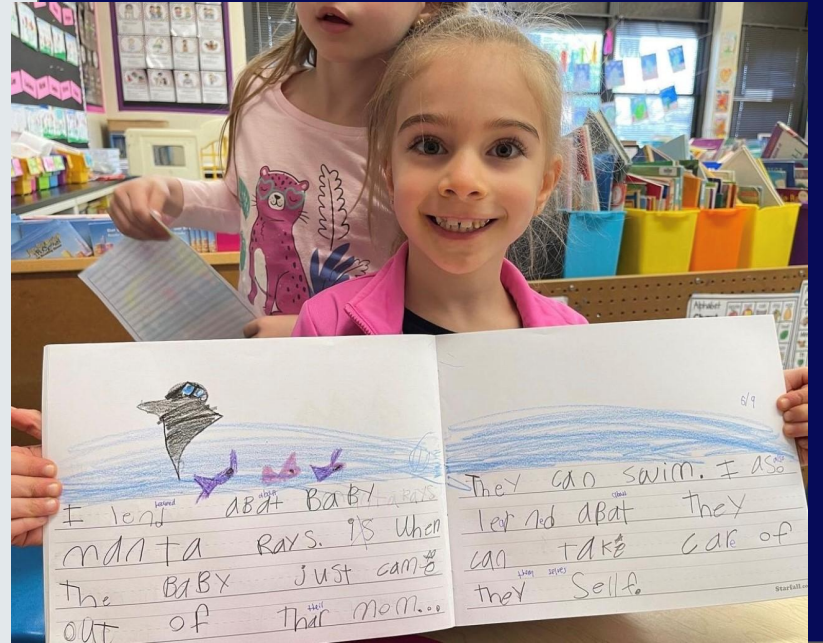

# Harding School Goals

- Expand our work in **data-driven instruction** by implementing building-level data teams and monthly Professional Learning Communities.
- Improve classroom design to incorporate **collaborative workspaces** and **integrated technology** to establish a 21st-Century student-centered learning environment.

# Next Steps

- Continue to widely communicate goals.
- Monitor progress.
- Provide updates.
